

Teaching and Learning Mentor

Job Description and Person Specification
September 2026

About BeyondAutism

Our vision

A world where every autistic learner belongs, succeeds and shapes their own future.

Our mission

To ensure every autistic child and young adult accesses the education and support they need to belong, succeed, and lead lives full of opportunity, choice and independence.

Founded by parents in 2000, we provide a continuum of support from Early Years through Post-19, alongside outreach, training, and our pioneering BeyondAutism Fast Responder service. We combine direct education for children with the most complex needs with national training, resources, and policy influence – creating a blueprint for inclusion that can be scaled across the country.

At the heart of our approach is a deep understanding of behaviour – recognising it as communication and as a reflection of environment and need. Too often, scientific principles have been misapplied in ways that prioritise compliance over the individual's voice. We reject any practice that seeks to suppress identity; instead, we celebrate individuality and apply behaviour analysis in a positive, ethical, and person-centred way – supporting choice, independence, and outcomes that enhance quality of life.

Our values

At BeyondAutism we are:

Dedicated to delivering excellence

Developing expertise, outstanding services and positive engagement, always seeking to go above and beyond expectations.

Committed to understanding behaviour

Contributing to research and ensuring our staff continually develop and share best practice that ensure aspirational outcomes are achieved for autistic individuals.

Respectful

Embracing diversity, showing integrity, acting with compassion and always treating people with dignity.

Proud to challenge

Listening, changing thinking, shifting attitudes and educating.

Job overview

As a Teaching and Learning Practitioner you will be supporting autistic children and young adults aged 4-19, delivering outstanding education that helps ensure every autistic child and young adult accesses the education and support they need to belong, succeed, and lead lives full of opportunity, choice and independence.

You will develop the communication, independence and daily living skills of your learner making a direct impact on the quality of life for that person.

Under the supervision of a Behaviour Analyst, you will be working as part of an experienced interdisciplinary team committed to living the vision and values of the organisation.

Roles and responsibilities

Key tasks

- To work as part of a classroom team providing Behaviour Analysis instruction to children with autism and related communication disorders on an individual basis, in pairs or in small groups.
- To analyse pupils' behaviour to allow for a function of the behaviour to be identified and to deal with the behaviour where appropriate in a calm and professional manner and in accordance with individual pupil behaviour plans, risk assessments and school policy. This may include the use of positive handling techniques (Team Teach).
- To develop an understanding of assessments used within the school that track pupil progress and development of Individual Education Plans (ABLLS-R, VB-MAPP, AFLS, BSquared).
- To ensure that individual and class timetables are adhered at all times.
- To be flexible and willing to follow any variations in staff timetabling and pupil cover – including last minute changes implemented by the Heads of Schools when necessary.
- To collect and record clear data on all programmes, including accurate analysis and recording of sequence-analysis-data (Antecedent-Behaviour-Consequence).
- To provide intimate care (e.g. toileting, nappy changing, medication and support with feeding) for children within the school as required.
- To supervise and support children on activities and trips outside of the school, including swimming.
- To be responsible for the safeguarding and health and safety of pupils, including the maintaining of a safe environment, following and implementing relevant policies and risk assessments as appropriate.

Roles and responsibilities

Key tasks (continued):

- To supervise indoor/outdoor playtime for all children on a rota basis.
- To graph pupils daily and weekly progress accurately.
- To monitor and maintain your pupil's clipboards and programme folders and ensure they are kept up to date and ready for an unfamiliar teacher.
- To ensure the production, organisation and maintenance of curricular and teaching materials are age appropriate, functional and relevant to your learner.
- To inform your Behaviour Analyst of 2-week flatlines on programmes within your folder so that progress can be monitored and teaching procedures amended where applicable.
- To complete the home-school book daily in accordance with relevant school policy and ensure good home-school communication.
- To actively participate in staff meetings, training and performance competencies on a regular basis.
- To undertake appropriate professional development on a range of relevant issues as agreed by the school management. To play an active role in own training and progression in understanding and ability to apply the principles and procedures of behaviour analysis.

General responsibilities

- Safeguarding the security, safety and wellbeing of pupils at all times during school hours, in school and out in the community reporting any concerns in accordance with the Safeguarding and Child Protection Policy.
- To monitor general health and safety within the classroom, rectifying any concerns or reporting to Health and Safety Officer / Site Manager as needed.
- To understand, adhere to and actively implement all the policies and procedures of the school at all times.
- To actively participate in staff meetings and staff training sessions.
- To develop knowledge of autism including the impact upon individuals and families and to demonstrate a thorough knowledge of Behaviour Analysis procedures and practice.
- To represent the charity at organised charity events and contribute to the organisation and running of the event when needed / out of hours on a voluntary basis.
- To undertake additional tasks as directed by the Heads of Schools, Behaviour Analyst or Consultant Behaviour Analyst.
- To operate and comply with the provisions of the Data Protection Act 1998 and relevant BeyondAutism policies during the course of undertaking the role.

Person specification

	Essential	Desirable
Education and qualifications	• Educated to GCSE Level or recognised child care qualification	• Psychology Degree (honours)
Experience, knowledge and skills	• Interest in working with children with special needs including autism • Good standard of literacy and numeracy skills • Willingness to learn new methods of teaching autistic children • Understanding of and commitment to equality of opportunity within an inner-city, special needs environment • Commitment to undertaking further training and professional development • Demonstrable interest in education	• Experience of working with children, and/or adults with special needs • Experience of working with autistic children • Knowledge of psychology • Experience of behaviour analysis • Knowledge of national curriculum • Experience of working in a school
