# When the stakes are this high, every partnership counts

When Eliza\* was diagnosed just before her third birthday, her mother thought answers would bring relief. Instead came silence — no guidance, no roadmap, no help.

Then came **BeyondAutism**.

Within weeks in our **Early Years service**, confusion gave way to clarity. A child who once struggled to connect began to flourish. A mother who felt powerless learned to fight — and win.

Today, that same mother has a degree in developmental psychology. She's helping other parents find their footing. That's the ripple effect of one child receiving the right start.

## **This is what your partnership funds.**

No government grants. No guaranteed safety net. Every place exists because someone chooses to act — someone who believes that inclusion shouldn't depend on postcode, privilege, or chance.

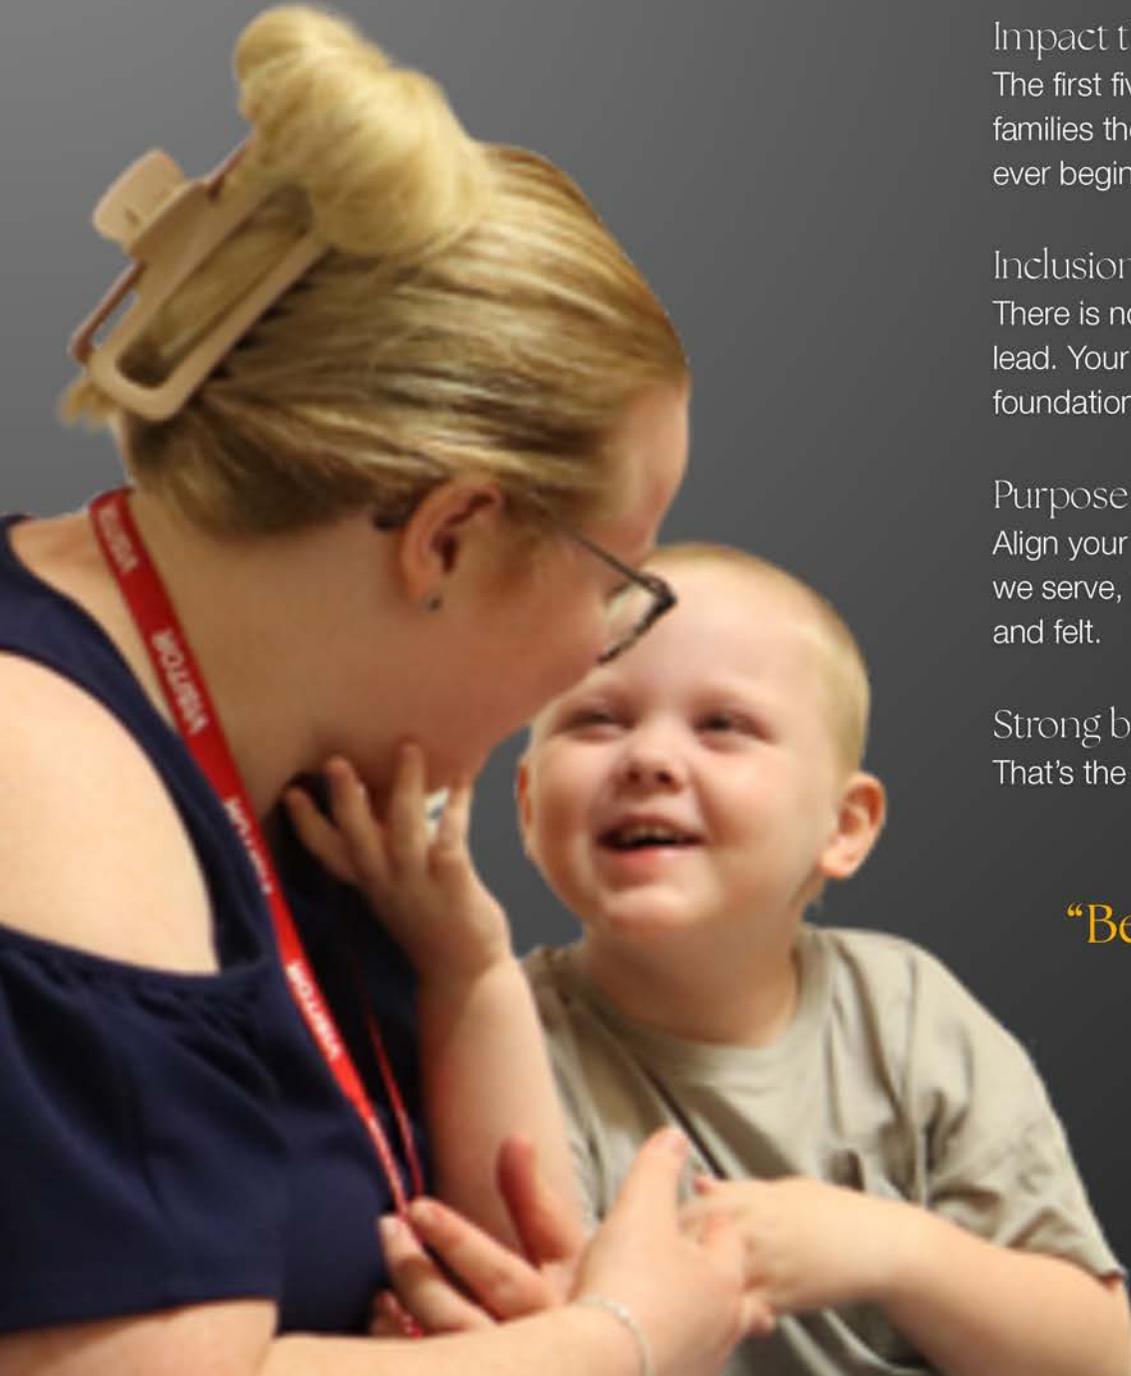

Your partnership changes the equation. It turns fear into progress. It replaces isolation with empowerment. It opens the door to possibility.

Because when we build stronger beginnings,  
we change everything that follows.

*\*name changed for privacy*

# Why partner with BeyondAutism

Impact that starts early.

The first five years shape everything. BeyondAutism's Early Years service gives families the tools, expertise and belief to turn fear into progress — before exclusion ever begins.

Inclusion that begins with you.

There is no government funding. Every place exists because someone chooses to lead. Your partnership funds specialists, tailored support, and community — the foundations for a lifetime of belonging.

Purpose with prestige.

Align your brand with change that lasts. From Battersea Arts Centre to the families we serve, your name will stand for action, empathy and results that can be seen and felt.

Strong beginnings build stronger futures.

That's the difference your partnership makes.

**“BeyondAutism saw my child, not a diagnosis”**

Music Sponsor	<b>secured</b>	—	-
Supporter Sponsors	£250–£500	—	Unlimited
In-Kind Partners	—	—	Custom opportunities

# Partnership Details & Recognition

Your partnership fuels transformation. It creates lifelines for families in BeyondAutism's Early Years service — where children take their first steps toward connection, communication, and confidence.

Every level of partnership carries meaningful visibility — the kind that speaks of leadership, purpose, and brand excellence.

## Lead Impact Partner

£15,000

### **A partnership defined by purpose and leadership.**

As Lead Impact Partner, your organisation is recognised as making the most significant contribution to the heart of Casino Night's mission. Your support is woven through the evening's story, with prominent visibility across event screens, digital communications, and CEO recognition on the night.

You and your guests experience the event at its most connected, with hosted seating and access to the people shaping BeyondAutism's future. Beyond the room, your partnership continues through tailored impact reporting, post-event recognition, and the opportunity to deepen your relationship with our senior leadership.

Your partnership helps turn generosity into lasting change — ensuring families are met with support, not waiting lists.

*One Lead Impact Partner available.*

**All partnerships will be acknowledged in BeyondAutism's annual Impact Report and post-event communications — where purpose meets prestige, and generosity becomes legacy.**

## Headline Partner £7,500

As our principal supporter, your brand sits at the heart of the event.

You host a premium table for 10 guests, with your logo featured across invitations, menus, and screens. You're acknowledged from the stage by the CEO, appear in all press and social coverage, and receive professional photography to celebrate your team.

**Your support funds the experts who help children find their voices.**

*One opportunity.*

## Catering Partner £3,750 / £7,000

Celebrate inclusion at every table.

You host five guests — or ten when both opportunities are combined. Your logo graces menus and table cards, with a thank-you before dinner and visibility across social and post-event coverage.

**Your sponsorship turns waiting lists into first words.**

*Two opportunities at £3,750 or £7,000 combined (save £500).*

## Casino Partner £3,000

Where the energy peaks.

Your brand takes centre stage with four guest tickets, logo placement by all gaming tables and screens, verbal thanks during the live auction, and promotion across social media.

**Your partnership keeps children learning, playing, and included.**

*One opportunity. Combine Casino & Reception for £5,000 (save £500) - a full table for 10 and dual branding across the most social events of the evening.*

Reception Partner *filled*

Music Partner *filled*

Generously supported by

South London Jazz Orchestra

Supporters *£ 250+*

Join the movement for brighter beginnings.

Your name or logo appears in the printed programme, on the BeyondAutism website, and in a shared social-media thank-you, with priority ticket access.

**Your generosity helps families start strong.**

*Unlimited opportunities.*

**In-kind/Custom**

From florals to photography to auction prizes, creativity drives change. Recognition is tailored to your contribution across the event and digital platforms, with seating arranged in line with the value of your support.

Your brand brings the details that make the night unforgettable.

# One Night. Endless Beginnings.

In every great city, there are nights that sparkle — and nights that matter.

## Casino Night is both.

Beneath the lights and laughter, your partnership builds something far greater: the first steps of a child finding their voice, a parent discovering hope, a family beginning again.

This is where luxury meets legacy — where the thrill of the evening turns into impact that lasts long after the final toast.

Together, we can change what's possible — one table, one story, one night at a time.
